

POLITICAL COMMUNITY CANVASSER

Connecting with voters personally is the most effective way to ensure they support our movement toward social equity. We do this through door-to-door canvassing. As a canvasser, you will walk a neighborhood with a list of voters, knock on their doors, talk to them about the candidate that aligns with Worker Power's progressive values, and invite them to vote for candidates who support social equity efforts and advocate for working people.

Responsibilities:

- Travel to the office located in the greater Phoenix metropolitan area
- Talk to voters and their families at the doors
- Track your voter engagement using the miniVAN app
- Leave literature when the voter is not home
- Report your numbers and communicate with your lead each day

Qualifications:

- Punctual and reliable
- Good communication skills
- Outgoing personality
- Enjoys meeting and talking to people
- Energetic and enthusiastic
- Committed to advancing immigrants' rights and workers' rights
- Interested in and passionate about voting and civic participation
- We take the health and safety of our team very seriously. Must be vaccinated for COVID-19 or willing to get vaccinated before starting your work

Current canvass schedule (times are subject to change):

Sunday - Wednesday 11 am to 7:30 pm

Saturday: 9 am to 5:30 pm

Thursday and Friday off

Student schedule available

Terms of Employment:

The Community Canvasser position is a full-time position (part-time options for students can be worked out)

Pay: \$22/hour

Job Type: Full-time

Benefits: Paid time off

Schedule: 8-hour shift

Must be available to work the weekends

Canvassers with interest and demonstrated capacity will also have the opportunity for promotion to leadership positions on our canvass team.

Worker Power is an equal opportunity and affirmative action employer. Women, people of color, people with disabilities, LGBTQ plus, and veterans are strongly encouraged to apply. COVID-19 considerations: The candidate must be vaccinated; this includes the booster. We provide PPE, enforce social distancing, and do outdoor launches when groups are larger or during peak COVID times.
